Sir:

Patentee's Representative was recently informed that the ownership of the above-referenced U.S. Patent has changed, and is now in the hands of DSM IP Assets B.V. The change of ownership has necessitated a change in tax status for payment of maintenance fees for U.S. Patent 7,211,387, and so fees are now to be paid at the large entity rate.

Therefore, the above-identified application/patent no longer qualifies for small entity status under 37 C.F.R. § 1.27(a).

Dated: February 17, 2011

Respectfully submitted,
